

2. I am here to carry His Presence, Love, Energy, Knowledge + Power to assist you in your transformation back to Him. To allow yourself to be open to me + my Presence ^{+ teachings} in your life will connect you directly to the Special ^{power} assistance that He is bringing to this world, ^{today}. It is not necessary to be in my physical presence to allow the link to be made and our relationship to be established.

I live to be a circuit for you to plug into only ^{for you} to plug into the main power house which is GOD.

My Union with Him is total + ever-increasing in nature. I am

a live socket, if you like, plug in + reap the benefits. and be prepared for a rigorous transformation. To break free is not easy, you must be ^{totally} ^{ready} ^{for} ^{your} ^{jour}

3. I am here to speak teachings that will help people to specifically break free of the illusion. To lead people down the path of ^{ultimate} ~~the~~ Spiritual transformation which is the death of the ego + the return to your ^{eternal} loving relationship with ^{one} GOD ^{again}

I am here to help ~~a~~ more intimately a smaller group of people that will be leaders in this mission + bring the ~~the~~ ^{its} ~~word~~ ^{teaching} ~~to~~ ^{to} the world

4. I am here to bring inspiration + faith to those seeking union, Pure Love of God.

5. And one thing you should know is that my very nature of LOVE of God + freedom in Him - will have me live my life in that state of freedom, ^{which the world + its concepts of God can't see}

My state of ^{full} GOD CONSCIOUSNESS

in human form by its very nature of being will rattle + agitate all of your judgments, concepts + beliefs about GOD, masters, religion, right + wrong, what GOD is like + what

GOD is not like according to your standards, ^{which are all illu}

My task in this world is to dispell darkness, + ^{bring this love peace + ec}

Darkness + separation from GOD is

held in place due to judgments,

concepts + beliefs. So my simply

being who I am + speaking how I speak +

behaving how I behave will all become

one big Divine TRIGGER in your life. ^{in the world}

~~And~~ To trigger you into Self discovery +

for some Self realization. My job is to wake you up.

If everything in your consciousness is stirred up that will cause you to search

within for truth. And of course

everyone knows that the only truth to

be found is deep within. To do

The depths necessary for self-realization
and love of GOD to manifest everything
you hold to be true and worth
hanging onto down to the subtlest
levels will be challenged.

So, I, ^{Kolindi,} am a woman in your
life that will love you through it
all even when you are hating
me because of your own pain +
separation. You can always know
that, I am always by your
sides, eternally. + have acceptance
for your transformations + what
GOD is doing with you.

And I, Kolindi, will always keep
things stirred up just by what
I say, how I act + how I
simply live my life with GOD + for Him.

When I come out of seclusion I
will be more of who I already am.
Outgoing, wild, free, ^{very} deep, serious, heavy,
fun, funny, sexual, sensual, loving, intense, very intense
and all within peace. And my job is to be + to
speak + that I will.
