

Kalindi La Gourasana

Voice of God · Spiritual Master for the World

*Let the spirit of the Lord move you.
It is an unlimited power. All assistance that
you need will be there. It is solely up to you,
to your desire, to your determination,
to your effort.*

from the book, **Ultimate Freedom:
Union with God**, page 42

*Fulfillment of body, mind, heart and spirit
brings you wholeness and completion within.
You no longer search for the external world
to bring you your heart's desire, as you come
to find it within from God, the source of your
true pleasure and happiness.*

from the book, **Ultimate Freedom:
Union with God**, page 52

Kalindi passed on April 18, 2010.
Her spiritual power and love
was never limited to Her physical body
and is still available for all those
who have a deep desire to know
and connect with Her.
